Street named in honor of Ellis

Central Michigan University President Emeritus Art Ellis (center right), stands by the recently unveiled Ellis Place sign with his wife Sibyl and family members Terri Ellis, Mark Ellis, Alan Tillotson, Amanda Tillotson and Marcia Tillotson (left to right). The street, which is located in Mt. Pleasant's 300-acre SmartZone, was named in honor of Ellis' efforts in creating the area that is designed to attract and stimulate growth of technological research companies.
